

FUN RUN & FETE

Dear Parents/Students,

I have pleasure in announcing our annual Fun Run on **Sunday 25th May 2014**. Again this year we will have marquees set up for the runners to change clothes after the run and a free Barbecue. This year the Fun Run will be extra special as we have combined it with our own SEKF Summer Fete which will consist of stalls full of fun and games like Beat the goal keeper, Horseshoe toss and Sponge the Instructor. In addition there will be a barbecue (free for runners) and a lovely tea and cake marquee.

Danny & I will be leading the runners through the Forests of Brockenhurst and all students six years old & above along with their families are invited as there will be two different routes, both accompanied by instructors and mentors. Parents are encouraged to join in, whether it is to help with the little ones or to have a good run themselves. (Sorry no dogs).

The aim of the Fun Run and Fete is to raise money for the Freestyle Combat 100 club which helps to financially support our squad members. Please return forms by **Friday 23rd May 2014**.

The top three students who achieve the most sponsorship money for the 100 Club fund will win a free day out to a National theme park. Good Luck!
